		Incorporating Tools and Memory in Agents	6-Aug	16-Aug	15-Aug
		Planning and Reasoning	13-Aug	23-Aug	22-Aug
		Learning Break			
		Labor Day Break			
		Project-2	6-Aug	13-Sep	12-Sep
3	Advanced Agentic AI Solutions	Multi-Agent Systems	10-Sep	20-Sep	19-Sep
		Testing and Evaluation of Agentic Systems	17-Sep	27-Sep	26-Sep
		Securing Agentic AI Solutions	24-Sep	4-Oct	3-Oct
		Project-3	17-Sep	11-Oct	10-Oct
		Self-paced Modules			
4	Multimodal Agentic AI	Post module 3			17-Oct
NOTES >>					
1	Please note that this schedule is subject to change to reflect ongoing improvements to the program design.				
2	Assessment deadlines are set for the end of the day; however, the exact time may differ based on your local time zone/geography.				
3	"Assessment" refers to either a mandatory quiz or a project.
